

WHAT IS THE 12 DRIVING FORCES ASSESSMENT?

12 Driving Forces is an assessment tool created by TTI Success Insights that measures why a person does what they do. It looks at the motivation (and strength) behind behaviors, using 6 different motivators.

What Does 12 Driving Forces Measure?

12 Driving Forces measures six factors.

- **Knowledge** (Instinctive and Intellectual)
- **Utility** (Selfless/Resourceful)
- **Surroundings** (Objective/Harmonious)
- **Others** (Intentional/Altruistic)
- **Power** (Collaborative/Commanding)
- **Methodologies** (Receptive/Structured)
